School Tax Penalty Refund Form - Now Available

At the meeting on October 8, 2024, the Town Board approved a process to refund the 2023-2024 real property school taxes to qualified residents. Qualified residents who wish to apply for a refund for penalties related to the 2023-2024 real property school taxes can do so using our [online application form](#). Please note it is anticipated that refunds will take 4-6 weeks to process.

As a reminder, the Scarsdale Town Board passed a [home rule request](#) in response to concerns from residents who had not received their school tax bills via USPS and consequently incurred school tax penalties. During the summer, the [corresponding bill](#) was approved by both the Assembly and State Senate, and signed by Governor Hochul on September 20, 2024.

Should you have any questions about this process, please contact the Village Treasurer's Office at 914.722.1170 or via email at treasurer@scarsdale.gov.
