November 29, 2024

Reminder: Pool Comments Deadline - December 01

The deadline to submit comments on the proposed programmatic elements of the Scarsdale Pool Complex is December 01. You can provide your input by emailing poolcomments@scarsdale.gov.

Following the [public presentation](#) on October 29, the Village Board has been seeking feedback on the proposed elements and amenities related to the planned redevelopment of the pool complex such as potential pool sizes and types, infrastructure for future enclosure, water features, changing areas, recreational zones as well as areas for seating, lounging, and dining.

All of these features contribute to the overall user experience of the future complex, so it's important that we receive feedback from the Scarsdale community at large. We look forward to receiving your input on this important community project! You can find the most recent [presentation](#) as well other project documents online at <https://www.scarsdale.gov/poolproject>.
