

SCARSDALE OFFICIAL Village Newsletter

On June 3, the Village of Scarsdale held its annual celebration of the tireless volunteers who serve on Boards, Councils and Committees each year. Mayor Justin Arest said, “This year’s reception may have been the best yet, not just because of the energy at the event or the beautiful weather, but because we truly celebrated the full spectrum of what makes Scarsdale work. By bringing together our dedicated volunteers and the exceptional Village staff, from public safety to public works, from leadership to frontline services, we honored the people who keep our community moving forward every day. Our Boards and Councils embody the spirit of our non sibi tradition, and it is this shared commitment, with residents stepping up and staff leading and working alongside them, that truly makes Scarsdale special.”

The Village of Scarsdale thanks all volunteers & staff for their vital service.
