February 3, 2026

America 250/Scarsdale 325 Oral History Initiative

In celebration of our local history and in honor of Scarsdale's 325th anniversary, the Village is coordinating an Oral History Initiative. The project will feature video interviews from current and former Scarsdale residents discussing our Village's unique past.

Community members are encouraged to nominate themselves or others who are current or former Scarsdale residents to participate in this Oral History project. Nominations may be submitted using the online form linked [here](#).

Participation entails appearing on video and sharing stories, information, and firsthand accounts of Scarsdale's history. Participants may be interviewed by members of the Oral History Initiative Committee and will be required to sign a video release form prior to filming.

The Committee will review all nomination submissions, but cannot guarantee the number of submissions that will be selected.

Submissions are due by February 20, 2026. We look forward to celebrating Scarsdale's history together!

For questions or further information, please contact Ruby Tower at rtower@scarsdale.gov.
