

Spring Parking Permit Reminder

February 2026

Dear Scarsdale,

Please be advised that Spring Semi-Annual Parking Permits will go on sale Monday, March 2, 2026, at 9:00 a.m. **Applications and payment will be accepted online only through the Village's new parking permit portal at <https://permitpurchase.com/Scarsdale>.** This is a new process intended to save time, reduce paperwork, and improve the efficiency of purchasing a parking permit.

It is important that you register an account within the new parking permit portal **before** the permits go on sale. If you are a current permit holder and have yet to register in the new portal, please follow the [instructions for existing permit holders](#). If you are a new permit holder (e.g. you have not held a valid 2025-2026 Scarsdale Parking Permit), please follow the [instructions for new permit holders](#). Upon accessing the login screen, new permit holders must first select "register as a new user." You will then be prompted to enter your contact information. Once an account has been established, you must enter vehicle information before you can purchase a permit.

Please note that Spring Semi-Annual Permit options will not be available until 9:00 a.m. on March 2, 2026, and will not appear in the portal prior to that time. Before submitting your application, please be sure to review the parking terms and conditions. After an application has been submitted, it will be reviewed by Village Staff. Upon approval of your permit application, you will receive a separate email with payment instructions. Payments must be completed within 48 hours of approval to secure the permit; drivers who have not made payments within this timeframe may not have their permits fulfilled.

If you have any questions, please contact the Village Clerk's Office at (914) 722-1175 or email parking@scarsdale.gov

Thank you,
Village of Scarsdale
