Blizzard Response: Resident Update #3

Residents are reminded that the Snow Emergency declared at 12:01 a.m. this morning remains in effect until canceled. Accordingly, it is unlawful to operate a vehicle on any designated snow emergency street in the Village of Scarsdale. These streets are posted with identifying signs. In addition, it is unlawful to park a vehicle on any public or private street in the Village during this snow emergency. We ask for the cooperation of all residents in this regard.

Snow removal operations were initiated overnight, with crews focusing on major streets and the Village Center, expanding their efforts to all residential streets early this morning. Plowing operations will continue all day and into tomorrow until the storm ends and all streets and sidewalks are passable.

Residents are also reminded that today's Sanitation garbage collection is canceled and tomorrow's recycling collection will be curbside only.

With the exceptions of the Village Court and Recreation Department, Village Hall is open today with limited staffing.

Additional community updates will be provided, as warranted.

For further information, please contact the Scarsdale Police Department at 914-722-1200
