Emergency Water Main Repair: Fenimore Road

The Scarsdale Water Department is responding to an emergency water main repair on Fenimore Road this morning. As a consequence, Fenimore will be closed to vehicle traffic between Brewster and Tompkins Roads in both directions, with appropriate detour signs deployed.

The duration of the road closure is not known at this time. If water service must be interrupted to individual homes, which is not known at this time, notice will be delivered to each impacted property.

Drivers are encouraged to avoid Fenimore during the emergency work and related road closure.
