December 19, 2017

### **2017 Curbside Fall Leaf Collection Program Completed**

Please note that the 2017 curbside fall leaf collection program ended on December 08, 2017. Therefore, curbside leaf piles are now prohibited.

However, because snow and other factors may have impeded resident ability to participate in the last phases of the curbside collection season, the Village is offering "no charge" leaf drop-off disposal at the Recycling Center, 110 Secor Road. Free drop-off will only be available until 2:30 pm on Thursday, December 28, 2017.

In order to take advantage of this opportunity, the resident or company dropping off leaves will be required to supply the property address where the leaves were picked-up.

Alternatively, leaves placed curbside in biodegradable paper bags (only) will continue to be collected. No plastic bags will be accepted.

Of course, the Village continues to support [on-site leaf mulching](#), as well!

For further information, please contact the Sanitation Department at (914) 722-1295.
