### Storm-Related Debris on Private Property

To facilitate the removal of storm-related wood debris from private property, the Village is authorizing free disposal of such debris from Scarsdale residential properties, subject to certain conditions related below.

Importantly, no large logs or branches (those exceeding four feet in length), stumps, soil, metal, or other non-wood materials or objects will be accepted. Any load containing prohibited materials or objects may assessed a fee of \$125/ton or rejected, solely at the Village's discretion.

The Scarsdale Recycling Center, located at 110 Secor Road, will accept authorized materials between the hours of 8:00 AM and 3:00 PM beginning on Thursday, March 09, 2018, and continuing thru Friday, March 30, 2018. No other dates or times will be permitted.

Contractors delivering storm-related wood debris to the Recycling Center must present a completed **Wood Waste Disposal Ticket**, as included with this press release, signed by the Scarsdale property owner where the debris was removed. A separate voucher must be completed for each separate trip.

In addition, branches left curbside for pick-up must be tied and bundled, not to exceed four feet in length or 35 pounds in weight. Please contact the Sanitation Office at 914-722-1295 or the DPW Office at (914) 722-1150 if you have any questions.

Thank you for your cooperation.
